PROPHETIC *Reality*

**A SEASON OF INNOVATION:
BE CREATIVE!**

"Then He who sat on the throne said, "Behold, I make all things new." And He said to me, "Write, for these words are true and faithful" (Revelation 21:5).

1. EXHORTATION:

“Then He who sat on the throne said, “Behold, I make all things new.” And He said to me, “Write, for these words are true and faithful” (Revelation 21:5).

Creativity is the ability to make something new; something that was not in existence before. Creativity happens when we re-imagine how things should be done rather than stick to doing things the same way. However, creativity in this context is not just about “positive thinking” or “imagining new things”, it must be ignited by The Holy Spirit to produce things according to God’s pattern and in line with His will for the benefit of His creation and the glory of His name (Exodus 35:30-35, Exodus 36:1). Hence, creativity is not about doing things that suit you, the change must fit into purpose - God’s purpose.

We are all made in the image of God the Creator (Genesis 1:26). Being made in God’s image means you are inherently creative. You were born with creative ability to bring forth great innovations.

Wired in you is an irresistible, divinely-inspired instinct to create, innovate and organize for advancement – Dr Mark Amadi

To express this creative ability, you must be a *Possibility Thinker* - one that is able to see the opportunities wrapped around challenges.

It is important to emphasize that every champion heading for advancement will face challenges. The year 2020 has been filled with challenges; nevertheless, inherent in these challenges are opportunities to be creative and innovate things that will make us relevant for the advancement of God’s kingdom in our spheres of influence. To overcome the challenges of this season, our creativity must be born of God, and we must stand firm *in Faith and Obedience* to God.

“For whatever is born of God overcomes the world. And this is the victory that has overcome the world – our faith” (1 John 5:4).

This season (July – December) is a season of New Beginnings. It is not a time to be fixated on old methods, because modes of operation will change -businesses, governments, schools, and individuals will all go through Innovative Shifts. Therefore, be ready for series of changes; some good and some bad. To remain relevant, you will need to activate your God-given ability to innovate and create. Make new things or find new ways of doing old things (Genesis 1:3-4).

In this season of New Beginnings, upgrade yourself and take advantage of the *Advancement Key* given to believers in John 14:12:

“Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father...” (John 14:12-13).

Our Lord Jesus Christ Himself has assured us of our capacity to do greater works. These works must extend beyond church service to cover every sphere of influence in our life on earth; *until the kingdoms of this world have become the kingdoms of our Lord and of His Christ* (Revelations 11:15). We are mandated to exercise dominion in the spheres of family, religion, education, media, entertainment, business, and government.

To operate in this dimension of dominion, you will need **Vision**: a revelation of what the season holds; **Passion**: the willingness to go through the change process; and **Right Attitude**: a mindset that nothing is impossible with God by your side.

In this season, you must think, talk, and walk in the consciousness that you are a “Solution Carrier”, divinely empowered to bring creative solutions to the challenges of these times.

2. THE REVELATION:

I saw from afar a beautiful crystal mountain top, glittering with different kinds of light. This glorious mountaintop looked inaccessible from afar. However, beside this mountain was a lower plateau with a beautiful pathway lined with water fountains that led to the top of the mountain.

Then I heard a Voice saying "Come up my people; do not look at or be discouraged by the mountain's height; go through the plateau; it is an open space that leads to the mountain pre-prepared for your advancement". The Voice echoed "Arise, reset, stop lamenting, go through the plateau, beautify it".

3. THE REALITY:

From the start of this season (July 2020) until the year 2023, God's pre-prepared plateau will be opened and accessible for creativity that leads to elevation and advancement. Therefore, DO NOT let your prior accomplishments or past failures distract you from walking through the plateau of creativity to your mountaintop of success.

Do not be discouraged by the size of your God-given dream or the thought of what you lost - be it money, relationships, or time; rather, reset and advance. No matter how low the plateau of your starting point may seem, **do not despise the day of small things** (Zechariah 4:10). The path to the mountaintop of glory lies hidden in the plateau.

This season requires a Paradigm Shift (Isaiah 43:18-19) – an overhaul of your mindset. It is time to *Reboot, Reset, Reform and Refresh*. Stop complaining, stop being presumptuous and stop condemning people. Rather, seek in-depth revelation and focus on God's plan in every situation. Joseph faced many challenges, but by using his creative abilities, he became a "Solution Carrier" and fulfilled the purpose of God for his generation (Genesis 37-45). Therefore, drop the mindset of stubborn dogmatism because it only leads to stagnancy.

Make up your mind to be creative and advance to your crystal mountaintop where the LORD will reveal great things (Amos 4:13).

God is the God of New Beginnings, and for this reason, He has put mechanisms in you to get you restarted anytime there is a change of season.

*In this second half of 2020, God is saying:
Arise, be creative; reset your buttons and
restart! Partner with Me (John 15).*

As earlier mentioned at the start of this year, 2020 is a year of mixed outcomes - a year of unusual opportunities and unexplainable misfortunes. Therefore, seek the Lord, be cautious and prayerful, especially towards the end of the year.

Global crisis, political upheaval and economic instability will affect business growth and increase unemployment. The mighty will fall. Environmental challenges and radioactivity issues will affect physical wellbeing.

Despite all these, God's power shall shake the earth, creating newness for your advancement to the glory of His name. In this second-half, God's grace and mercy will lift all that call upon Him. So, be still, rest assured, you will overcome (John 16:33).

There will be change on a cosmic scale eight hundred and twenty-two (822) days after the 1st of July 2020 (by Sunday, 2nd October 2022), newness will be evident to all.

This is a season to be proactive in wisdom and boldness. The river that makes glad the city of God (Psalm 46:4) will flow to wet your land during the coming "dry season".

Be prepared for the dry season, God will arise over your plateau to keep you REFRESHED. Don't panic; wait on Him (Isaiah 44:3).

Prophetic Declaration

*Because of God's abundant grace released in
this Season of Innovation, I will walk in
creativity for my advancement*

4. CLOSING REMARKS:

God has pressed the “reset and restart button” over the nations, over the Church and over you. There is a mass returning to God, a returning to God’s original intention for His Church, and a returning to true relationship and connection. Rejoice, because God has made 2020 your *Year of Supernatural Surprises*; fresh leaves will blossom where there were dry trees.

Therefore, depart from everything that has entangled you, abandon old patterns and plans that have kept you unfruitful. Stop hypocritical service and “remove the mask” in your relationship with God and man.

In conclusion, refresh your mind; seek love and holiness; and show gratitude in all your dealings with God and man. May the second half of your year be filled with great exploits of **Supernatural Advancement**.

Remain blessed; It is well.
